Post gradution python web development
IT Vedant Institute
2021

INTERNSHIP

Fullstack Web devloper
Cloudstarts technology pvt ltd.
2022
I completed an 7 Month internship at cloudstarts Technology pvt ltd.
Projects

- Created Application. **e-Sanjeevani OPD chatbot** :Using Django, Python, CSS, JS, this chat-bot web application was deployed on Heroku. The user will select any body part where he feels pain. The selected body renders in the chat-bot, and the chat-bot begins a conversation with the user. All information is stored in the database, and the data is displayed on the doctor's page (HTML, CSS) so the doctor can see what happened with the patent.
- **NHAI** Chat bot worked on UI using HTML ,CSS Bootstrap
- create visualization in power BI AB.PM JAY
- Up police project :Power App using Modern Driven App sharepoint,power automate flow
- HTML JAVASRIPT Form converted in Django APP
- **NECTAR** – Project Monitoring App, created Flow in power automate and received request through Email.
